Entrance requirements:

• **Teacher Training, Architecture, Industrial Design and Cultural Studies:** Original high school/ university entrance certificate or another equivalent certification proving the applicant completed studies with a degree programme of at least three years at an approved, post-secondary educational institution.

• **Master's Degree:** a Bachelor's degree or another equivalent certificate (copy should include all pages)

Assessment: The examination board evaluates the entry exam, and announces the result by what it becomes legally effective. Applicants are able to access their result in our UFG Online System under "Applications". To log-in, they need to use their e-mail address and the password they chose when activating their UFG-Account.

Proof of German language skills is required for the following studies before applicants who do not have German as a first language can be admitted to the university: Teacher Training, Architecture, Media Culture & Art Theory, Cultural Studies and Industrial Design.

The entry examination of our artistic study programmes requires applicants to have an adequate understanding of the German or English language. After admission, students have to submit a verification of their German language skills before registering for their third term.
